

## The Partnership

*The partnership between a school and its parents club is built on trust, respect and shared values.*

*It thrives on open and honest communication, relishing the challenges of educating our children in the 21st century.*

*To realize this challenge we need parents like you who are able to commit a small amount of time to help deliver great outcomes for our children and school.*

*Everybody has a role to play and your ideas may make a real difference.*

*Great results can be achieved when we work together!*

Come and have a look!  
All you need to do is

## Our school values people like you

### Why be involved?

There are proven educational and wellbeing benefits to children whose parents actively participate at their school.

Being involved builds positive relationships within the school community.

You will rediscover old, forgotten skills and learn new ones.

Become a voice in the development of new initiatives in education.

Our school would appreciate any time you can give to help with the following:

- ◆ Classroom reading
- ◆ Classroom helper
- ◆ Fund raising
- ◆ Working bees
- ◆ School council sub-committees
- ◆ Library Helper
- ◆ School Banking

### Goals of our Parents' Club

- ◆ To provide a welcoming environment to new families to our school
- ◆ To communicate effectively with the school council, principal, staff and other parents
- ◆ To keep all parents informed of statewide educational changes
- ◆ To fund raise for the 'extras' for all students
- ◆ To improve the educational outcomes and the learning environment for our children
- ◆ To contribute to the school's policy making (eg curriculum)
- ◆ To write grant applications
- ◆ To be a social group—meet other parents and have fun!
