CONSENT FORM TO CONDUCT HEAD LICE INSPECTIONS

Permission to cover the duration of the student's schooling at:
Albion Primary School

Throughout your child's schooling, the school will be arranging head lice inspections of students.

The management of head lice infection works best when all children are involved in our screening program.

The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

The inspections of students will be conducted by a trained person approved by the principal and school council.

Before any inspections are conducted the person conducting the inspections will explain to all students what is being done and why and it will be emphasised to students that the presence of head lice in their hair does not mean that their hair is less clean or well-kept than anyone else's. It will also be pointed out that head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The person conducting the inspections will check through each student's hair to see if any lice or eggs are present.

Person's authorised by the school principal may also visually check your child's hair for the presence of head lice, when it is suspected that head lice may be present. They do not physically touch the child's head during a visual check.

In cases where head lice are found, the person inspecting the student will inform the student's teacher and the principal or his delegate. The school will make appropriate contact with the parents/guardians/carers.

Please note that health regulations requires that where a child has head lice, that child should not return to school until appropriate treatment has commenced. The school may request the completion of an 'action taken form', which requires parents/guardians/carers to nominate if and when the treatment has started.

Name of child attending the school:.....

I hereby give my consent for the above named child to participate in the school's head lice inspection program for the duration of their schooling at this school.

Local Walking Excursions

Permission to cover the duration of the student's schooling at Albion Primary School

On occasion, class teachers will take their class for a walk in the local area as part of the school program. Examples include a walk to familiarise children with the local neighbourhood, or a walk to the supermarket to buy the ingredients for a cooking activity.

To assist the staff with planning of activities and to reduce paperwork sent home, I recommend that all parents sign this local walks permission form to cover these occasions. Parents will still need to sign permission notes for excursions requiring the catching of public transport or the hiring of buses.

I give permission for my child to participate in local walking excursions during the school year. In case of an accident or sudden illness during the excursion, I authorise the teacher in charge to consent, where it is impracticable to communicate with me, to the child receiving medical or surgical treatment as may be deemed necessary.
