School Council News

At the last school council meeting, approval was given for the pupil free days on 28th and 29th January and Monday 2nd November.

Approval was also given for the year 4 – 6 camp to Doxa from Wednesday 25th – Friday 27th March 2020. Doxa was chosen again as the price is very reasonable and it provides a variety of activities and is one recommended by our staff.

Building Works

The building works are finally commencing on 6th January.

Please note that from 8th – 11th January, asbestos removal works will be happening and no one is able to be onsite during this time. The asbestos containing material does not pose a risk to the community, however, must be removed from the site before construction begins. During this period, you may notice workers wearing protective gear onsite. All asbestos removal work will be carried out in accordance with the Victorian Occupational Health and Safety Regulations 2017 but suitably qualified asbestos removalists. Following the removal works, all material will be disposed of at an Environment Protection Authority approved

site and a clearance certificate issued by an Occupational Hygienist to confirm that all visible asbestos containing materials have been removed from the site.

Finally

It is hard to believe how quickly the school year has flown! Thank you to the staff for the remarkable work you do with our students.

On behalf of everyone, I would like to say goodbye and good luck to Mr Thomas Kimpton. Tom is moving to a new school, much closer to home.

Thank you too, to our 2019 School Council members, in particular, president, Naomi Harper. To our wonderful Albion Parents' Club, thank you for all of your work in supporting the students and school.

To our twenty graduating students, on behalf of everyone at Albion, I wish them all the best in the next phase of their lives. I ask them to always think about the lessons and values learned at Albion. They will hold you in good stead. Remember, only *you* can make the choice in how you behave, in how you treat others, in how much effort you put into your school work and future endeavours. Therefore, I ask you, to make good choices in all that you do.

To those who celebrate Christmas, a very merry Christmas to you.

May everyone have a relaxing and enjoyable holiday and to I look forward to working with you, for the benefit of the students, in 2020.

Sincerely,
Adrienne Williamson
