Sustainability Update – October 2026 – Marita Ryan

Accreditation to maintain our 5-star rating

- Core module due 15th September 2026
    - Everything has been uploaded to the portal and it has been submitted for assessment. We have received some feedback and working on that. Di has updated the electricity, water and waste bills on the relevant site.
- Waste module December 2026 – work will begin on this once core module as been updated.
- Water module – August 2028
- Energy module – March 2029
- Biodiversity module – August 2030.

'WOW' Wednesday and Fruity Friday continue to be run each week by the house captains. House captains are responsible for giving out house points and collecting data on these days. Results are announced at assembly.

10c Container Deposit Scheme
We have taken two bags to the depot so far this term. There will be another load after the 100th.

Active travel
We had a Ride to School Day on 14th September. 69 students rode of scooted to school and 39 walked to school. Over 50 students participated riding or scooting around the oval at lunchtime on the obstacle course set up by the 5/6 students.

Bins
We continue to remind students/staff about the use of the coloured bins in **classrooms, staffroom and outside.**

Yellow bin in classrooms and areas – paper and hard plastic

10c Yellow bin outside – anything with the 10c logo

Blue Murfee bin – other recyclables including bottle caps, bread tags, ring pulls, oral care, old pens, pencils, textas and glue sticks,

Red bin – land fill, all other waste

Green – all food scraps

Food scraps caddies – all food scraps
