

Albion Primary School

Home Learning Term 2 2021

Aim High

We have to do this again...

- Learning at home is not like learning at school.
- We do not expect you to do a full day at home like you would at school.
- Everyone (you, your family and the teachers) found this way of learning very difficult last year and while we know how it all works, it is still a tricky time. That is OK. We will all be working through this together.
- We will all make mistakes but we will get through it with respect, care and honesty as well as patience and kindness. We learn from our mistakes.

What my teachers will do...

- Tell us/show us how access the learning
- Assign learning tasks by providing hard copy work and Google Classroom links to work
- Talk to me on Google Classroom and (hopefully) face-to-face through Google Meet
- Answers questions when I need help

Albion Primary School Staff

What my family can do to help me...

- Set up a space for learning
- SMS my teacher by to let them know I am working so my attendance is marked on the roll each day.
- Help me organise my hard copy work or maybe log in to my virtual classroom

What can I do?

- Help my family by being ready for learning each day
- Having the things I need ready
- Use Google Classroom/Meet when I can

Daily Checklist...

- ✓ Make my bed
- ✓ Have breakfast
- ✓ Clean teeth
- ✓ Get dressed
- ✓ Ready for learning

Daily Schedule Prep – Year 2...

- 45 – 60 minutes of reading and writing activities
- 30 - 45 minutes of maths
- 30 – 45 minutes of play based activity
- 30 – 45 minutes of physical activity

Daily Schedule Years 3 – 6...

- 45 – 60 minutes of reading and writing activities.
- 30 - 45 minutes of maths.
- 30 – 45 minutes arts/science/humanities/Italian activities
- 30 – 45 minutes of physical activity.

What I will need each day...

- Paper/workbook and pencils
- My books to read
- Device to access online learning

Daily exercise and fresh air...

It is important to keep active and moving!

Things to do outside include:

- Skipping
- Playing ball games
- Exercises

If an adult is with you could also:

- Go for a walk/run
- Ride your bike/scooter

Sharing with your family...

Talk with your family every day about your learning

- Today I learnt....
- A challenge for me today was...
- I most enjoyed...

Managing screen time...

- It is important you keep a balanced approach to home learning. Time spent using digital devices for learning should be broken up with physical exercise and offline learning tasks often.
- There will be a day you can use to catch up on work, doing something that is fun for you. We are calling this day, a 'wellbeing day'. This is when your teacher is supervising onsite.
- It is also important that during this time of remote learning you maintain safe and responsible use of information and communication technologies. This includes:
 - the appropriate use of digital platforms, privacy and information protection
 - respectful online communication.

Positive Behaviour Expectations have not changed...

	At Home
Be respectful	<ul style="list-style-type: none">• Use your manners• Use the equipment/material for what it is designed• Stay calm
Be Caring	<ul style="list-style-type: none">• Show kindness to everyone• Look after your equipment and belongings• Show patience
Be Honest	<ul style="list-style-type: none">• Tell the truth• Take responsibility for your own actions• Complete your tasks to the best of your ability

Put in lots of effort with your *learning* to ensure you *achieve* to the best of your ability.

Positive Behaviour Expectations have not changed...

	Online
Be respectful	<ul style="list-style-type: none">• Communicate politely and calmly and only in language that is acceptable at school• Use the devices appropriately and responsibly.• Never send mean or bullying messages or pass them on, as this makes you part of the bullying.• Do not download unauthorized programs or apps.• Only take photos or record sound as part of an approved lesson.
Be Caring	<ul style="list-style-type: none">• Protect personal information• Never share friends' personal information• Carefully consider the content that you upload or post online; this is often viewed as a personal reflection of who you are.• Protect passwords and only share them with your parents.• Look after the digital technology equipment.
Be Honest	<ul style="list-style-type: none">• Only access digital technologies for the purpose of your learning as specified by your teachers. If you are not sure ask for help.• Only join spaces online with teacher or parent guidance and permission• Only claim the work you do as your own

Put in lots of effort with your *learning* to ensure you *achieve* to the best of your ability.
