(Starting Monday 8<sup>th</sup> February)

**8:40am – 8:55am**

Albion Primary School is introducing a breakfast club to encourage all students to eat a healthy and nutritious breakfast. All children are welcome. The food is donated to the school through a grant from the Department of Education and is provided by the Food Bank.

If there are any parents who would like to volunteer their time to help out by assisting with set up, serving, pack up and engaging with the students, please see Mrs Williamson or Mrs Turner at school.
